    Mr. _____ has told us of his visit with you on
18 April 1956 and of your real desire to work as a
Naturalist, possibly in the National Parks Service of
the Department of Interior. We have advised the Per-
sonnel Office of the National Parks Service of your
interest and asked them to forward directly to you em-
ployment information pertinent to that Service.

    We appreciate the opportunity of talking with you
and wish you success in locating a position to your
liking.

                        Very truly yours,

                        Harrison G. Reynolds
                        Director of Personnel
